## ABOUT COMPANY

We provide Revolutionary services in two wheeler industry.

Our motive is to deliver the best in the service industry! We one of the leading company in two-wheeler automobile services segment In Gujarat.

The company aims at filling the large service network gap in the country.

Our constant Endeavour will be to raise the standards for everyone who comes into contact with Speed force.

### 🔧 AUTOMOBILE INDUSTRY :

It is often seen that people are seeking newer vehicles that would give them ultimate comfortable ride and would serve the purposes needed. It is quite a common sight that a significant number of two wheeler owners neglect proper maintenance of their vehicles resulting in their longevity getting affected.

With proper maintenance of your vehicle you can certainly reduce the servicing cost that you might have to incur at a later.

### 🔧 OUR PROMOTERS :

- The promoters of the enterprise possess vast experiences from core functional areas required for it to get successful.
- A proven track record 30+ years in automobile two wheeler services.
- Vast experience of 15+ years in Network Development & Franchisee Sales across the geographical peripheries of the nation.
- Strong Experience in imparting Learning & Development of more than 14 years in different corporate segments.
- Quality & Vide Experience in providing Brand Development and Marketing Experience.
- Stable Financial Background.

### 🔧 DEMAND DRIVERS :

- Huge Potential for organised multi brand two wheeler service centres
- Two wheeler Customers are looking for an alternate to OE service workshops & LGOs
- We deal in multi-brand after market integrated service initiative for 2 wheelers!
- We Setup workshops catering to service of your every two-wheeler irrespective of brands giving you service whenever you need, at your time, with pickup and drop to your doorsteps & helping you and your elders on-road at the time of breakdowns?
